Important Notes

In the event of any doubt as to the appropriateness for use of any Blend or Product made using such Blend(s) then either contact Katseye Training (www.katseyetraining.co.uk) for advice or do not use such Product or Blend(s).

This Blending Reference Guide contains Contraindications for Katseye Blends (the "Blends") only and not as regards any Carrier or Base Product that may be used to make a Product.

Safety Advice

Please note that any reference to a Product or Products is a reference to any Product containing a Blend or Blends.

Sole Use

Where a Product is prepared for a particular individual, it may not be suitable for use by another individual e.g. extra dilution is required for children, the person may be pregnant, a person with a sensitivity or allergy may react to a Product. It is necessary to check for Contraindications and also to check the Dilution is appropriate for each individual using a Product.

Children

Keep Products out of reach of small children.

Flammable

The Blends consist solely of Essential Oils which are flammable. Do not place them on/near a naked flame except in a proper burner.

Solvents

Some Blends are solvents and may damage certain plastics and polished wood surfaces and may stain fabrics.

Sprays

Exercise caution with polished floors/lino as Sprays should be natural water based Products and all polished/smooth surfaces are slippery when wet.

Undiluted Blends

Unless specifically instructed by an expert, do not apply undiluted Blends directly onto the skin as this can lead to irritation of the skin.

Use

Do not use a Product as food flavouring nor take internally.

High Concentration

The Blends are highly concentrated and therefore incorrect use can cause undesirable side effects.

Eyes

Keep the Blends away from the eyes and do not rub eyes after handling the Blends.

The Blends, even when diluted, will cause stinging if they get into the eyes.

In the event of an accident!

- If a Product is splashed in the eyes, immediately flush the eyes with clean, warm water or full-fat milk. If this does not alleviate the stinging and irritation then seek Medical Assistance.
- If a Blend is present on the fingers, remove by gently scrubbing with strong solution of washing-up-liquid. Do not rub eyes if a Blend is on fingers. Certain Essential Oils contained in the Blends and tending to persist on fingers are Cinnamon and Peppermint which can cause eye irritation.
- If a Blend is present on other parts of the body, remove by washing with warm, soapy water. Dry the area thoroughly and apply hand cream, a medicated cream or, if nothing else is available, a small amount of butter or margarine.
- If there is an accidental consumption of a Product, seek Medical Assistance immediately.

Reaction to Product

In the event of any reaction to a Product discontinue use immediately and seek medical assistance where required.

Suitability of Product

In the event that a Product is intended for use by Children or Animals please ensure that it is suitable for such use. A Product should not be used if in any doubt as to its appropriateness for use.

Patch Test

If an individual is unsure if they are sensitive or allergic to any ingredients in a Product a Patch Test is necessary.

In any event, prior to using a Product a Patch Test should be conducted to ensure no adverse reaction.

Place a small amount of the Product on the gauze of a plaster and put the plaster on a discreet part of the body e.g. forearm. Leave for 2-4 hours then lift the plaster to see if there has been any reaction such as redness. In the event of a reaction the Product should not be used.

It is important to note that certain drugs, stress and menstrual cycle can affect sensitivity to products.
